STATEMENT OF SUBSTANCE OF INTERVIEW

Mail Stop Reissue
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper is in response to the Interview Summary mailed on October 14, 2003. The Interview Summary asserted that a telephonic interview was conducted between Examiner Le and the undersigned on September 16, 2003. The Interview Summary included a Substance of Interview statement that "the dependent claims

mistakenly left-out in the rejection of the based claim rejection of the previous office action. Examiner agreed to issue another office action to correct the above stated error."

The undersigned's recollection of the telephonic interview is slightly different. The undersigned requested during the interview that the finality of the Office Action mailed on March 19, 2003 be withdrawn for the reasons set forth in Applicants' Response filed on August 20, 2003. It is the undersigned's recollection that Examiner Le disagreed with the undersigned and the interview ended. The undersigned was informed later by Examiner Le's supervisor that Examiner Le had reconsidered and the finality of the Office Action was withdrawn.

Respectfully submitted,

John C. Freeman
